## PROJECTS

### Personal Portfolio | HTML, CSS & Javascript

May 2022

- Developed using HTML, CSS, and JavaScript.
- Features interactive sections for skills, projects, and contact.
- Responsive design ensures accessibility across devices.

### TravelSnap | ReactJS, NodeJS, Express & MongoDB

Dec 2023

- Integrated MongoDB for efficient and secure data storage. Implemented user authentication for enhanced security.
- Enabled seamless image uploads to enhance visual storytelling.
- Incorporated user-specific editing, deletion, and update features.

### Chat App | ReactJS

Dec 2023

- Developed a dynamic ReactJS chat app with real-time messaging. Leveraged Faker.js for realistic chat simulations, including a user-friendly dark mode.
- Improved user experience, integrated prize rewards, showcasing advanced web development skills.

## INTERNSHIP

### 270 Circle

July 2022 – Aug 2022

*Frontend Web Developer*

*Jamshedpur, India*

- During my internship at 270 Circle, I actively contributed to various client projects by applying my skills in **HTML, CSS, JavaScript, and WordPress**.
- My role involved leveraging these technologies to enhance the functionality and design of web applications, ensuring a seamless and user-friendly experience for clients and their end-users.

### IIIT Ranchi

May 2023 – July 2023

*Machine Learning*

*Ranchi, India*

- Participated in a cutting-edge machine learning initiative centered around 3D face recognition. Collaborated closely with a diverse team of researchers and developers to conceptualize and deploy machine learning algorithms. Regularly engaged in team meetings, presenting progress updates and sharing valuable insights regarding the project.

## TECHNICAL SKILLS

**Languages:** Python, Java, C, C++, Dart, JavaScript, SQL, NoSQL

**Developer Tools:** VS Code, Android Studio, IntelliJ Idea Ultimate

**Technologies/Frameworks:** ReactJS, Redux, NodeJS, ExpressJS, Git, GitHub, MongoDB, Flutter

## POSITION OF RESPONSIBILITIES

### UDAAN — REC Student Portal

Jan 2021 – May 2024

*Technical Head*

*Ramgarh*

- Official student group at Ramgarh Engineering College (REC), managed by REC students.
- Centralized hub for college info, notices, question papers, results, and event updates.
- UDAAN organizes regular quiz-a-thon, codewar, gusto, etc., enhancing student engagement at REC.

### Placement Cell Coordinator — REC

Nov 2023 – May 2024

*Ramgarh*

- Proactively contacted companies seeking to recruit entry-level candidates for various job roles.
- Disseminated details about the company's campus visit among students to facilitate awareness and participation.
